DARYL FLOOD, INC. JOINS MAYFLOWER FAMILY

Leading moving and storage company now backed by strength of Mayflower

DALLAS, Texas – Daryl Flood, Inc. is now an agent of Mayflower Transit, which will allow the already successful agency to serve customers in a whole new way.

As a Mayflower agent, Daryl Flood will provide local, long distance, international and commercial moving and storage services to corporate clients, government agencies and residential customers.

“It is an honor to be part of the Mayflower family,” said Daryl Flood, president of Daryl Flood, Inc. “We share the same beliefs that providing a quality and stress-free move is our No. 1 priority. I often say that all moving companies have trucks and warehouses, but our people make the difference. It is our goal to be recognized as a premier mover in both the Mayflower family and abroad. We are excited to showcase our skill and abilities in all aspects of the moving experience.”

With 26 years of experience in the moving and storage industry, Daryl Flood brings a wealth of professionalism to every move. The company has made a name for itself in the state of Texas as a trusted moving and storage partner by adhering to its four pillars: abiding by a philosophy of caring for the things customers care about most; hiring people who are intelligent and have great attitudes; having not only the physical resources of trucks and warehouses, but the intangible resources of experience and expertise; and emphasizing a commitment to satisfy the customer.

The new Mayflower agent has locations in Dallas/Ft. Worth, Austin and Houston, Texas. For more information about Daryl Flood, Inc., visit www.darylflood.com.

About Mayflower Transit

Mayflower Transit was founded in 1927 and is one of the nation’s oldest and largest van lines. Mayflower transports household goods, electronic equipment, trade show exhibits and displays, works of art, and specialized freight, utilizing a network of 700 affiliated agents throughout the United States and around the world. Mayflower’s headquarters offices are located in suburban St. Louis. Further information about the company is available at www.mayflower.com.
